OhioKAN is a flexible and responsive kinship and adoption navigator program designed to support children, youth, and their families. Organized into 10 geographical regions, OhioKAN regional staff support formal and informal kinship caregivers and adoptive parents. OhioKAN staff assists with accessing social services and other resources families need to achieve positive outcomes for themselves and the children in their home. The core of the program is focused on identifying, supporting, and connecting families with all the resources out there.

---

# LET ME BE A CHILD . . . .

## Reminders for Loving Parents

Let me know when I make you proud. And help me to have pride in my own accomplishments. Let me earn your trust. Then trust me. I won't let you down. Let me try my wings. If I fail, let me know it's OK. And encourage me to try again. Let me know you love me. With a hug. Or a pat on the back. Or, when I need it, with a firm but gentle "no." Let me be me. Let me change. Let me grow.

Let me tell you when I'm feeling bad. Or angry, even at you. Let me know that even on my worst days, you still like me. Let me dream. Share my joy when my dreams come true. Share my tears when they don't. Let me feel secure in my home. Help me realize that love is always there . . . that I can depend on you no matter what. Let me run . . .let me laugh . . .let me play . . . and most of all,

**LET ME BE A CHILD!**
